

Prospects for a Post-pandemic Productivity Boom (online event)

11 November 2022
9am - 11am AEDT

Featuring a presentation by Chad Syverson (University of Chicago), this workshop examines the potential for a post-pandemic productivity recovery, reversing the productivity slowdown experienced across industrialised countries since the mid-2000s.

P R O G R A M

09.00	Welcome: Catherine de Fontenay (Commissioner, Productivity Commission) and Kevin Fox (Director, CAER)
