## UNSW has two light rail stops

- UNSW High St
- UNSW Anzac Parade
- *Parking on campus is limited and can't be guaranteed*

Both are a 5-10 minute walk to conference

The walk from Anzac Parade includes a big flight of stairs

## Light rail

Sydney's light rail system is an easy and comfortable way to get around town.

Use <https://transportnsw.info/> to find your way from your location to one of the UNSW stops.

Remember to “tap on” and “tap off” at the **start and end** of your trip. Just tap your Opal card or your credit card at the station.

The light rail runs directly from both stops to the dinner at the MCA — destination Circular Quay Station (30 minutes; AUD \$3). At UNSW High St, board on the UNSW-side of the track, and you can't go wrong. At the Anzac Parade stop, board on the side furthest from UNSW campus.
